Organizational Experience

HIMSI UBSI Kampus Kota Tegal - **Tegal, Indonesia**   Jan 2023 - Mar 2024

Documentation

Information Systems Student Association or HIMSI Bina Sarana Informatika University is a student organization that aims to develop the potential, knowledge, and skills of students in the field of Information Systems. HIMSI acts as a forum for sharing knowledge, expanding networks, and holding academic and non-academic activities, such as seminars, workshops, and social events. This organization also focuses on improving students' soft and hard skills to support their readiness to face the world of work.

- Managing and Documenting Activities - Responsible for taking photos and videos during HIMSI activities for publication and organizational archive purposes.
- Processing Documentation Materials - Editing photos and videos of activities so that they are ready to be published on the organization's social media.
- Preparation of Activity Reports - Compile activity documentation reports containing a summary of activities, documentation results, and event achievements.
- Social Media Management - Manage and publish documentation on the organization's social media platforms to increase exposure and member engagement.
- Collaboration with Event Team - Work closely with the event and publicity team to ensure all activities are well documented for publicity purposes.

HIMSI UBSI Kampus Kota Tegal - **Tegal, Indonesia**   Jan 2022 - Dec 2022

Facilities & Infrastructure

Information Systems Student Association or HIMSI Bina Sarana Informatika University is a student organization that aims to develop the

potential, knowledge, and skills of students in the field of Information Systems. HIMSI acts as a forum for sharing knowledge, expanding networks, and holding academic and non-academic activities, such as seminars, workshops, and social events.
